“Bless the Lord Oh my soul and all that is within me, Bless his Holy name”

To Mrs. Thelma Mouning and family,

Bishop and Mrs. William M. Philpot, Sr., the Diaconate Board and members of Christ Chapel New Testament Church, wish to express their love, prayers and condolences to the family and friends of Pastor Johnnie L. Mouning.

We thank God for knowing this great and anointed man of God and grateful for the years of service with us at Christ Chapel New Testament Church in New Haven. Serving faithfully as our Assistant Pastor, Dean of our Christian Bible Institute, instructor of our New Convert Program and many other areas of the church.

We thank God for the legacy that he instilled into his four fine sons which they have continued to exhibit so gracefully. We know that this legacy will continue on through his grandchildren and the next generation to come. We have been deeply blessed by this anointed man of God who we know will be greatly missed by many.

With Sincere Sympathy,

**Christ Chapel New Testament Church Family,
